

SUMMER 2019 Teen Driver Education Class Schedule

SELECT ONLY ONE calendar in which to attend PHASE I of DRIVER EDUCATION

EACH different **HIGHLIGHTED CALENDAR** is only a partial course of Texas Driver Education including 16 days (or 32 hours as required by TX law) in classroom theory instruction called **PHASE I**.

Texas law allows a total of no more than 10 hours of class absences to be made up or Full Course

Re-enrollment and Completion of all 16 days again is Required to keep the Learner's License issued under this school's TEXAS approved program of instruction.

PHASE II is an additional 14 more hours of **DRIVING INSTRUCTION** with DTC instructors, done either concurrently OR after this class calendar selection is completed—You will have 6 months to complete all your training in Phase I and II under your DTC inc registration contract.

HOME PRACTICE ('PHASE III') HOURS is an additional logging of 30 hours practice with an authorized adult, parent or guardian in which 10 hours are after nightfall and no more than one hour is counted per day.

IMPACT TEXAS TEEN DRIVERS ('final PHASE IV') is a 2 hour online DPS DMV video training course that must be completed no more than 30 days prior to the student's Roadway Testing Exam.

The student must complete all PHASES of Driver Education and be 16 years old and have had a Learner's License actively issued to them for 180 to be eligible to ROADWAY TEST. They may schedule that test either at any TPST site or any DPS DL field office.

PLEASE NOTE within each of our PHASE I calendars:

The **Highlighted dates** are class attendance required days: 16 classes of 2 hrs each day = full 32 hour DE Course Phase I. Saturdays or Sundays might have different times to meet than the regular weekday times. If the class will meet that day at a different time, another time is listed in the square other than the one at the top of the full course calendar chart. **ON EACH CALENDAR, THERE MAY BE TWO DIFFERENT TIMES THAT A CLASS WILL BE PRESENTED. YOU MUST PICK ONLY ONE, AND CONSISTENTLY STAY IN THAT CLASS WITH THAT SECTION OF STUDENTS THROUGHOUT THE ENTIRE 16 DAYS OF THE COURSE. If the class meets at a different time for the weekend days, the altered time will appear on that day only, and in order by the Section of the course that is listing in that calendar.**

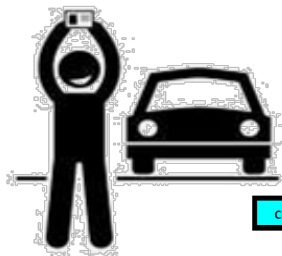

The **1st DAY OF CLASS** WE present a **required parent meeting** for 50mins **WITH STUDENTS** to go through our expectations, and the Texas laws that govern them. At least one parent should make plans to attend!

The **4th DAY OF CLASS**, 30 mins. prior to class time, aged 15+ yr. old students will take the official Written DPS licensure test for their learner's license. PAPERWORK to take to the DPS office for issuance will be presented after class on that day, if Full Tuition payment has been received. The VISION check tests will be given by office personnel the day prior to written testing. All WRITTEN EXAMINATION presented by Drive Trainers is required to be OUTSIDE the 32 curriculum hours! ANY STUDENT who is only 14 may schedule his/her test with the Office Administrators on or after their 15th birthday. Our Written Testing for DPS **will be completed 30 minutes prior to class.**

By the **10th day of class** it is advised that the Learner's License copy is returned to the DTC office so that the student can begin scheduling drive times. No DE Phase II In-Car Behind the Wheel Training (14 hrs) on www.schedule2drive.com shall be allowed without presenting to DTC inc. a license copy and having all tuition payments completed.
